## International Arbitration Group

April  
2021

### Internship applications, Frankfurt

We are accepting applications for internships of **three to six months** starting in **April 2021** (starting date flexible).

We welcome applications from outstanding undergraduate and postgraduate students in law, as well as recent graduates. Mastery of English is a pre-requisite. We are also looking for native Spanish speakers. Fluency in other languages, especially German or French, would be an advantage. An internship in the Freshfields international arbitration group would expose you to a wide range of cross-border work, including some of the most complex and interesting international disputes currently subject to arbitration. Internships are our preferred method of recruiting junior associates.

To apply, please submit your cover letter and curriculum vitae that includes a summary of your university results, neither exceeding one page in length, by **Monday, 15 February 2021**.
